The screenshot shows a web browser window with the URL "wardsdesign.com" in the address bar. The website header features the "DOMINION homes" logo on the left and a large "Welcome" title on the right. A navigation menu below the header includes links for "Find Your Home", "Home Designs", "Locations", "Financing", "How We Build", "My Dominion Home", "Company Info", and "Contact Us".

The main content area is divided into a dark blue sidebar on the left and a large image of a park-like setting with a gazebo and a pond on the right. The sidebar contains three sections: "SEARCH FOR YOUR NEW HOME ONLINE", "3rd QUARTER INVESTOR CONFERENCE CALL HEAR IT ONLINE THRU DECEMBER 9th", "RELOCATING? We have more new homes ready to move into than any other builder.", and "JOIN OUR MAILING LIST".

Below the large image, there is a "Welcome to Dominion Homes!" section with a paragraph of text and a smaller image of a two-story house. The text reads: "Welcome to Dominion Homes! We build the best quality homes, in the very best neighborhoods for the best price in the Lexington/Georgetown area, Greater Louisville, Kentucky and Central Ohio." The smaller image shows a modern two-story house with a garage and a covered front porch.

At the bottom of the main content area, there is another paragraph: "Whether you're looking for your first new home or your third, Dominion Homes offers choices. We have over 25 floorplans and homes priced from the \$150's to the \$350's. So there's sure to be something that's feels exactly right. From your front door to the mantle, your kitchen stove to the countertops, the beauty and comfort is in the details." This is followed by a final paragraph: "Take a tour of our web site to learn about our home designs, community locations, builder differences, home financing and inventory homes. **Welcome to the Best of Everything!**"
